Dear Doctor Lederberg:

It would be a pleasure to meet with you, et al, to talk about occupational health! I will arrive in New York City late in the afternoon of Tuesday, October 7, and will see old Stanford friends that evening. The Independent Sector Board meeting which I am attending starts at 10 A.M. on October 8. Would there be any chance for a breakfast meeting, cup of tea, or any other similar arrangement earlier in the morning of October 8? I'm usually in full bloom by 7:30 A.M. and could meet any time from then on. If not, my meeting (at the Warwick Hotel) will be over at 4 P. M. There might be a few moments before my plane leaves, I suspect they might be too fleeting. ✓

Thanks for your notes and continued interest. I hope we can exchange ideas soon!

Cordially,

Linda /_{bp} ✓
